Threatens More Than 20,000 Jobs

“Times are tough, especially here,
especially now.”

—Salinas resident **Angelica Cardiel**

Monterey County has severely lagged in its recovery from the recent recession

“It continues to have a divided economy with many low-wage agricultural and visitor-serving jobs but few opportunities for the younger, increasingly college-educated generations to remain in the County when entering the workforce.”

—Source: “Job Creation at Fort Ord,” *Applied Development Economics independent report to the Seaside City Council, September 4, 2013*

Measure M would result in the loss of 20,910 jobs

“With Measure M, both the Whispering Oaks development and the University Corporate Center business park would not be possible. In addition, the removal of the Eastside Parkway from the FORA road network would make the Seaside East Concept Plan area infeasible.”

—Source: “Job Creation at Fort Ord,” *Applied Development Economics independent report to the Seaside City Council, September 4, 2013*

“We have people all over the county who need jobs.”

—**Juan Uranga, Attorney**

Fort Ord represents the region’s best opportunity to correct these structural imbalances.

El Condado de Monterey se ha retrasado severamente en la recuperación de la recesión reciente

“Continúa teniendo una economía dividida; con muchos trabajos de salario bajo en los sectores agrícolas y de servicio pero, para las crecientes generaciones de jóvenes con educación universitaria, hay pocas oportunidades para permanecer en el Condado al entrar a la fuerza laboral.”

—Fuente: “Creación de Empleo en el Fuerte Ord,” *Reporte independiente del Desarrollo Aplicado de Ciencias Económicas al Consejo de la Ciudad de Seaside, 4 de septiembre de 2013*

La Medida M resultaría en la pérdida de 20,910 trabajos

“Con la Medida M, el desarrollo de Whispering Oaks y el parque empresarial University Corporate Center no sería posible. Además, la eliminación del Eastside Parkway de la red de carreteras FORA haría el Plan Conceptual del área de Seaside nada viable.”

—Fuente: “Creación de Empleo en el Fuerte Ord,” *Reporte independiente del Desarrollo Aplicado de Ciencias Económicas al Consejo de la Ciudad de Seaside, 4 de septiembre de 2013*

“Tenemos gente por todo el condado que necesita trabajo.”

—**Abogado Juan Uranga**

El Fuerte Ord representa la mejor oportunidad para nuestra región de corregir los desequilibrios estructurales.
